SUBJECT: SPECTRUM ANALYZER REQUIRED IMMEDIATELY to Record Physical Evidentiary to File an Injunction to Cease and Desist 'SLOW-KILL NO-TOUCH' Torture by Rogue HUMINT Operatives Populating Control Rooms and Affixing 'AI/SIMM GAME CONSOLE ON CENTERPOINT' Clamped on My Brain Magnetite While Preventing Illegal Extraction/Distribution of the Unbreakable Encryption Scheme per 1988 Top Secret Program at Rockwell International to IGNITE A NUCLEAR SUITCASE in the City of Houston UNDETECTABLE BY THE HOUSTON POLICE DEPARTMENT.

TOPIC: Usurpation by Former U.S. President George Scherff Jr/aka George Herbert Walker Bush Sr and the Bavarian Illuminati Including Up to 100 Operation Paperclip Clones and Rogue HUMINT Operatives of a 1988 Top Secret Program at Rockwell International That Marked My Family Bloodline as Yielding the Unbreakable Encryption Scheme Using Satellite-Powered Directed Energy Waveforms Off My Body as the Fundamental Cause of the 9/11 Terrorist Attacks on New York City and the Pentagon.

REF #1: Special Intelligence Report (SIR), Case Incident No. 010203812-A, 24 January 2012, Criminal Intelligence Division, Houston Police Department, downtown Headquarters.

REF #2: Central Intelligence Agency (CIA) FOIA CASE #P-2012-01261, Appeal Granted, 25 October 2012.

DATE: 08 April 2013

Dear Police Chief Charles MacClelland,

Your urgent reply is immediately requested. A spectrum analyzer is required immediately by the Houston Police Department to detect and record physical evidentiary regarding satellite-powered directed energy attacks by rogue HUMINT operatives to allow citizens in the city of Houston to:

- 1) file a crime report and/or an injunction to cease and desist 'SLOW-KILL NO-TOUCH' torture by rogue control rooms with or without permits and affixing 'AI/SIMM GAME CONSOLE ON CENTERPOINT' clamped on their brain magnetites for leverage to extort.
- 2) prevent illegal extraction / distribution of the next generation of unbreakable encryption schemes taken off the bodies of individuals having bloodlines with the oldest, rarest, and most complete set of haplogroups using dangerous waveforms via satellite per 1988 top secret program at Rockwell International that I worked on that marked my family bloodline, recently truth-roomed by CIA to be the exact bloodline to Jesus and Mary Magdalene and the 'longest-running lineage on Earth', as yielding the unbreakable encryption scheme which is the all-time penultimate weapon system component affecting the entire nuclear arsenal, unmanned aerial vehicle (UAV) or drone program, state-of-the-art missile systems, et al, that helped win the Cold War in 1991.
- 3) prevent the remote ignition of nuclear ordnance, specifically a nuclear suitcase bomb, of which I reported the intelligence gathered via psychotronic communication in the so-called NWO Psychotronic Pipe managed by CIA's Special Activities Division regarding five (5) nuclear suitcase bombs already implemented along the northshore of the Port of Houston accessible along MetroBus Route 30 as embedded in concrete within septic tanks across the street from a warehouse with an underground walkway which is otherwise undetectable by the Houston Police Department without a spectrum analyzer and an ability to decrypt the unbreakable encryption scheme.

On 7 April 2013, I phoned a 9-1-1 emergency call to Houston Police Department to file a crime report regarding ongoing 'slow-kill no-touch' torture involving offensive satellite-powered directed energy, psychotronic communication, and remote neural insertion assaults by a control room operated by Vincent Gotti, Vincent Gotti Jr, and Victoria Gotti at their residence in Villa Park, California, in coordination with former Florida Governor and rogue HUMINT operative Jeb Bush, owner/operator of Scherff Corporation, operating an impenetrable control room at Bush/Scherff Corporation in Kennebunkport Maine along with other rogue HUMINT operatives populating control rooms at Gold Base in Hemet California, U.S. Training/aka Xe/Blackwater Worldwide in Grand Prairie Texas and San Francisco California, et al, while affixing 'AI/SIMM GAME CONSOLE ON CENTERPOINT' clamped on my brain magnetite which illegally extracted/distributed the next generation of unbreakable encryption schemes per usurped 1988 top secret program at Rockwell International and could ignite any one of the five nuclear suitcase bombs previously reported to CIA in Arlington VA, via Freedom Of Information Act (FOIA) Appeal Case No. P-2012-01261, FBI's Northwest Field Office in Houston via documentation presented during walk-in visits, and Criminal Intelligence Division at the Houston Police Department at downtown headquarters via Special Intelligence Report (SIR), Case Incident No. 010203812-A.

The 911 emergency call was immediately received yet I was told by a Houston Police officer on the telephone recording the message that no spectrum analyzer is available to detect the satellite-powered assaults preventing me from filing the crime report and the resultant 'slow-kill no-touch' torture upon my corporal form specifically my genitalia stripping me of my natural ability and health to procreate.

The Houston Police Department must immediately acquire a spectrum analyzer, similar to an Anaritsu Spectrum Analyzer for \$100,000 as recommended to me by best friend and NSA Agent Christopher Jindrich, to defend the health and natural ability and health of all citizens in the city of Houston as well as have the response time to apply solutions to nuclear-related ordnance once implemented within city limits.

At this point, I am at risk of losing my life due to ongoing causal stalking, rogue non-consensual testing, and targeted assassination by all of the aforementioned control rooms along with Project Artichoke, Monarch/New Phoenix, and Targeted Killing program control rooms populated by rogue HUMINT operatives wearing the latest rogue, unauthorized yet fully-encrypted Remote Neural Monitor (RNM) Viewers either by contact lens or nano-implant deeply embedded typically in the left eye with instruction sets capable of comprising a Nuclear Ignition System, MASTER GRID CLAMP, MASTER GRID SWITCH, Genitalia Database, and other PRE-PROGRAMMED SCRIPTS to initialize a targeted kill sequence or other military crime also without detection, I firmly believe, by Central Intelligence Agency (CIA), National Security Agency (NSA), and Defense Intelligence Agency (DIA) along with other well-defined military intelligence agencies in the United States.

Per Truth Room By Grid Point technology assessments facilitated by CIA's Special Activities Division, the following communication to the 'fine line' of our military oversight of the Department of Defense for the United States, otherwise known as the Joint Chiefs of Staff, via the Office of the Secretary of Defense, 1155 Defense Pentagon, Washington, District of Columbia 20301-1155, and to the attention of Secretary of Defense Chuck Hagel must be formally reported and action must be taken to save my life and the life of my mother, Nelly Uribe/aka Nelly Rodriguez de Uribe, from ongoing causal stalking, rogue non-consensual testing, and targeted assassination by Project Artichoke, Monarch/New Phoenix, and Targeted Killing program control rooms populated by rogue HUMINT operatives who have taken graft to benefit military criminals in possession of the unbreakable encryption scheme:

- a) Please ensure the MASTER GRID CLAMPS applied to the brain magnetites of myself, my mother, and all other family members are always actively engaged and in possession of 'the fine line' of our military oversight,
- b) Please remove the AI/SIMM GAME console from the centerpoint of all Monarch/New Phoenix, Project Artichoke, and Targeted Killing program control rooms that are interface with the MASTER KEYS referencing the brain magnetites of myself, my mother, and all other family members as well as from all other control room centerpoints which are rogue to our positions,

- c) Please remove the MASTER KEY LOCKS referencing the brain magnetites of myself, my mother, and all other family members from all other control room centerpoints that are not at NSA, CIA, et al, and rogue to our positions.

Furthermore, for your review and dissemination to the Joint Chiefs of Staff and/or Secretary of Defense Chuck Hagel, DIA, NSA, FBI, and CIA all-inclusive, please find attached the following documents that outline country-first issues uncovered since the 9/11 Terrorist Attacks on New York City and the Pentagon via psychotronic communication per Agents and Operatives of CIA's Special Activities Division assisting to preserve my position by facilitating Truth Room By Grid Point technology and calling reads that help to identify and locate positions of those complicit:

- 1) Exhibit A. Country-First Issues Including Rogue Nuclear-Related, Satellite-Powered, and Tradecraft Technology.
- 2) Exhibit B. List of Contact Agents and Operatives at CIA in Arlington VA.
- 3) Exhibit C. List of Rogue HUMINT Operatives Complicit in Ongoing Military Crimes.

To fulfill the top secret instruction given to me back in 1988 at Rockwell International, I must meet with FOIA representatives of NSA and CIA to facilitate me to our 'fine line' of military oversight, the Joint Chiefs of Staff, to formally report the usurpation by George Scherff Jr/aka George Bush Sr and the Bavarian Illuminati including up to 100 Operation Paperclip clones and rogue HUMINT operatives of that top secret program that I worked on to create the unbreakable encryption scheme based on my family bloodline which is the all-time penultimate weapon system component that helped win the Cold War in 1991 as well as the country-first issues uncovered as a result of its illegal extraction and distribution as part of a recently uncovered international Black Market of Encryption Schemes, Psychotronic Balls/Globules, nano-powered Remote Neural Monitor (RNM) Monitor Viewers (contact lens or nano-implant deeply embedded typically in the left eye w/instruction sets capable of comprising a Nuclear Ignition System), CryoUnits of Bloodlines (human trafficked and stored at GenBase in Saudi Arabia, Gold Base in Hemet CA, WWN in Culver City CA), Squeeze Bottles (reconstituted sperm from stolen bloodlines), and up to 120+ Nuclear Suitcases reported to me via psychotronic communication per CIA's Special Activities Division which were implemented and possibly initialized along the coastline of, and within, the United States and in countries around the world.

Sincerely

Walter Uribe

BREAKING TRADECRAFT: To date, the following country-first issues involving the operation of an INTERNATIONAL BLACK MARKET of rogue military-related and/or satellite-powered infrastructure, instrumentation, technology, and weaponry have been identified with the help of CIA all-inclusive facilitating Truth Room By Grid Point technology assessments to my position which leverage our 'fine line' of military oversight for the Department of Defense, otherwise known as the Joint Chiefs of Staff, while being causal stalked and rogue non-consensually tested by Project Artichoke, Monarch/New Phoenix, and Targeted Killing program control rooms populated by rogue HUMINT agents and operatives with centerpoints clamped onto the brain magnetites of myself, my mother, and other family members to extract unbreakable encryption schemes taken off our bodies using satellite-powered waveforms based on our family bloodline having the oldest, rarest, and most complete set of haplogroups (and thought to be the exact bloodline to Jesus and Mary Magdalene) per usurped 1988 top secret program at Rockwell International:

- 1) the recovery of up to 120+ NUCLEAR SUITCASES mostly embedded in concrete within shipping containers and already implemented along the coastline, and within, the United States and in countries around the world having satellite-powered infrastructure for ECHELON and the Prime Meridian as well as large deposits of oil reserves.
- 2) the recovery of illegally extracted and distributed UNBREAKABLE ENCRYPTION SCHEMES taken off the bodies of myself, my mother, my other family members, and other TARGETED INDIVIDUALS enhanced with rogue algorithms using:
 - a) waveforms such as argon, gamma, infrared, iridium, laser, et al, via satellite.
 - b) hand-held microwave dish.
- 3) the recovery of unauthorized, rogue REMOTE NEURAL MONITOR (RNM) VIEWERS, contact lens or nano-implant deeply embedded typically in the left eye w/instruction sets capable of comprising a NUCLEAR IGNITION SYSTEM, that have been distributed among Bavarian Illuminati in coordination with Al-Qaeda operatives such as Osama bin Laden, Mohammed Atta, Melinda Atta, et al, per an international distribution list maintained by DCI Richard Gehlen.
- 4) the recovery of MASTER GRID CLAMPS used:
 - a) as part of 'a nuclear sandwich' implemented within the Global Information Grid and used to block out all other Net Centric Warfighter framework channels as well as psychotronic 'connects' from the so-called NWO Psychotronic Pipe to a control room centerpoint clamped onto a grid section linked to a grid point associated to nuclear ordnance such as a nuclear suitcase.
 - b) by rogue HUMINT operatives to clamp directly onto the brain magnetite and extract secure access codes from military defense contractors and engineers working for the Department of Defense which can then OPENLY DISTRIBUTED within rogue 'tap-ins' to the so-called NWO Psychotronic Pipe associated with the corepoint/centerpoint of ECHELON and integrated with Net Centric Warfighter framework and the Global Information Grid.
- 5) the recovery and secured-locking of a Remote Neural Monitor database containing the unique identifiers used with rogue algorithms of genitalia for all well-defined Americans which allows rogue HUMINT operatives wearing RNM Viewers to clamp directly for extortion and/or stripping of reproduction within seconds.
- 6) the recovery of unauthorized, nano-powered, INTERCONNECT DEVICES, i.e. 'nano-connects', affixed manually onto control room centerpoints which facilitate other:
 - a) control room centerpoints.
 - b) rogue HUMINT operatives wearing RNM Viewers and/or operating psychotronic balls/globules.
 - c) subversive access to directed energy actuation systems on targeted satellites.
 - d) subversive access to telemetry channels at satellite ground stations.
- 7) the 'on-the-fly' creation of private networked segments within Net Centric Warfighter framework by private military contractors such as Scientology Inc., Scherff Corporation, Mitre Corporation, GK Sierra, et al, or rogue HUMINT operatives to illegally distribute INSTRUCTION SETS capable of comprising a Nuclear Ignition System, caching neuro-linguistic programmed interfaces to apply Truth Room By Grid Point technology or keyword search threats, erasing HUMINT collection or psychotronic defensive collections, inserting or replacing visual cortex HUMINT collection with other images, etc.
- 8) the immediate removal of Global Information Grid and Net Centric Warfighter framework integrated with ECHELON involving rigged satellites, rigged telemetry channels at Interna Ground Station in San Jacinto CA near Gold Base in Hemet CA with the loss of the unbreakable encryption scheme along with master clamps that immediately threatens our ability and health to naturally procreate as well as our ability to launch, maneuver, or navigate unmanned aerial vehicles (UAVs) or drones for our military defense and national security.
- 9) establish SYSTEMS TO RECORD EVIDENTIARY IN THE ELECTROMAGNETIC SPECTRUM FOR GRID POINTS AND GRID SECTIONS OF THE GLOBAL INFORMATION GRID which are available on websites for local law enforcement that can be credit card purchased for a given time period by well-defined Americans to create notifications and triggered alerts for detecting:
 - a) 'slow-kill no-touch' directed energy assaults on pre-borns, children, and adults at home or on travel by airline flight, ship, car, et al, via satellite, active denial, taser, microwave dish, et al.
 - b) radon seeping into a residential property.
 - c) radiation upon nuclear reactor failure or detonation of nuclear ordnance.
- 10) establish investigative, judicial, and legislative RECOURSE to empower first-responders, victims, and other well-defined Americans in a democracy to report satellite-driven crimes or crimes involving REMOTE ELECTRONIC HARASSMENT.
